
Date of release: 05.12.2025; **Revision n°:** 3 **date:** 05.12.2025; **Approval:** R&D; **Verified:** QMS

1. Description

High-silicone formula that restores the natural shine of faded fascias, spoilers, bumpers, and exterior plastic parts damaged by sun exposure and ageing. Leaves a thin, long-lasting protective film on treated surfaces. Provides excellent covering action even on surfaces that are not perfectly clean. Non-greasy, paint-safe, and resistant to washing. Can be applied with a spray applicator or sponge. Ready to use.

2. Technical Specification

Physical appearance	Clear liquid
Colour/odour	amber / characteristic
pH	n.a.
Specific weight at 20° C	0.700 – 0.720
Frost resistance	<0°C
VOC (CH)	0.89
Flammability	Below 21°C
Biodegradability of surfactants	n.a.
Storage	Protect from sunlight
Expiry	5 years from production date

3. Use

HOW TO USE:

Apply the product as is using a sprayer, cloth, or sponge. Wear gloves when applying by cloth or sponge.

WARNINGS:

Extremely flammable product. Keep away from flames and sparks. Do not smoke during use.

Read and observe the safety warnings on the container label.

For information on handling, transport, etc., refer to the Safety Data Sheet for the product in question.

The information contained in this documentation refers to the knowledge of the product at the compilation date indicated above. However, considering the many possible uses and possible interferences from elements not dependent on the manufacturer, it is not possible to assume any responsibility regarding the indications.
